-

Abbott Point-of-Care has provided the morning refreshments for this meeting.
The next DAC Meeting will be held on Friday, March 2, 2007, 9:00 am - 1:00 pm.

**11:30 – 1:00 PM CEU Session:
The Latest and Greatest Medications
Paula Broderick PharmD, PhC, CDE**

Dr. Broderick graduated from pharmacy school at UNM 12 years ago. She has a background in all aspects of pharmacy. For the last 6 years, she has focused on diabetes and education. Dr. Broderick is a CDE and has a PhC for prescribing capabilities. She is currently working at UNM Hospital in the General Medicine Clinic and loves it. She has clinic 3-5 days a week seeing adult patients only.

Program Purpose:

The purpose of the Diabetes Advisory Council quarterly meetings is to provide state-of-the-art information to diabetes care providers throughout the state of New Mexico.

Program Objectives:

After this seminar, participants will be able to

- name three new insulins used to treat diabetes.
- name two new drug categories used in treating diabetes.
- state specific patient education needed for each of the medications above.
- select the most effective treatment possibilities given a case study.

**PLEASE NOTE THE LOCATION
*** SANDIA RESORT *****

**We will be offering continuing education credits for
CHES, dietitians, nurses, pharmacists, and social workers.**

The New Mexico Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This program provides 1.5 hours (0.15 CEU's) of continuing pharmacy education credit. The program is designed for pharmacists and related health care providers. NMPPhA will issue statements of credit by mail within 4-6 weeks to attendees who have successfully completed a Program Evaluation Form.

ACPE #104-999-06-052-L01 / Initial Release Date: 12/1/06
